

A GIVING OPPORTUNITY

Friends-in-Deed Back-to-School Supply Drive

Thanks to Connie G. for kicking off our Summer Giving Project for Friends in Deed on Sunday. As she mentioned, we are switching out our food donations for school supply donations for July. You are invited to purchase any of the items listed below and bring them to church on any of the first

three Sundays in July. The designated boxes and baskets on our GIVING CARTS in the Narthex have paper lists for you and are ready to receive your donations.

With your help, we can be a huge part in providing the supplies that will make a big difference in so many children's lives this school year. **LAST DAY: JULY 20.**
